"Absolutely too important to be ignored, censored or dismissed! It shall rightfully hold its place as a bestseller!"
—Bill Jenkins, Former ABC Radio Talk Show Host
Once in a while...a book comes along that challenges tradition and shakes our belief in the very institutions we trust. The Book Your Church* Doesn't Want You To Read presents a rare and honest look at one of the most controversial issues of all time: religion. Packed with essays from world-renowned theologians, historians, and researchers, this ground-breaking anthology exposes misrepresentations, challenges age-old beliefs, and seeks to reveal the whole truth to anyone who has ever been told what to believe. It discloses the shocking origins and frail histories of the world's major religions and answers questions you never even knew you had. But more than anything, The Book urges and inspires readers to think for themselves.

"A giant step toward religious literacy. If a person, being a Christian, church member or clergy, hasn't read the thoughts, evidence and point of view of The Book, they are not getting the whole story." --Reverend Richard Hill, Minister, Church of Daily Living

"For reference, shock, or lively debate, The Book has it all. Buy it, study it, then draw your own conclusions! Fast becoming known as the textbook of freethought."
—Bonnie Lange, Truth Seeker Company
"A kind of consumer protection guide to religion."
—Midwest Book Review
